JUSTIFICATION REVIEW STANDARD

Certificate of Completion

This certifies that

Niloofer Kandi

served as a Reviewer on the JRS AI-Assisted Records Validation Pilot, completing the independent review of all 24 records with care, rigor, and independent judgment. An AI-governance and standards-implementation perspective, drawn from doctoral research in AI governance and hands-on ISO/IEC 42001 implementation, contributed to the method by which AI-assisted records are evaluated for reconstructability and evidentiary integrity.
